Dear Parents/Guardians

Grade 5 Discovery Day

We would like to welcome all Grade 5 students whose families are considering enrolling them at Mary MacKillop College in 2020 to attend a Grade 5 Discovery Day at the College.

Date: Thursday 25 October 2018

Time: Commencing at 9.00am and concluding at 3.20pm

The day is a terrific opportunity for students and assists in making the transition from primary school to secondary school a little less daunting. There is a co-ordinated program of activities that introduces them to the College over a couple of visits. By participating in this program, students not only become familiar with the facilities and layout of the College, they also begin to meet students from the other schools that feed into Mary MacKillop College.

We are looking forward to having the students on the day and hope they can all come.

There is no cost for participating in the Discovery Day. Students should wear their school tracksuit (or similar) on the day, closed in shoes, bring their play-lunch, lunch and drink bottle with them. Your child will need to be dropped off and picked up on the day. The drop off and pick up point is the road to the right as you enter the College grounds. There will be College students meeting the students as they are dropped off to show them where to go.

All students attending require a permission form to be completed and returned to the by **Friday 12 October 2018**.

Please call the College if you have any enquiries.

Yours faithfully
