Child Safety and Protection - Code of Conduct

Safeguarding Children and Young People Code of Conduct

Ratified – June 2020, to be reviewed June 2021.

Central to the mission of Mary MacKillop College is an unequivocal commitment to fostering the dignity, self-esteem and integrity of children and young people and providing them with a safe, supportive and enriching environment to develop spiritually, physically, intellectually, emotionally and socially.

1.0 Purpose

This Code of Conduct has a specific focus on safeguarding children and young people at Mary MacKillop College against sexual, physical, psychological and emotional abuse or neglect. It is intended to complement child protection legislation, school policies/procedures and professional standards, codes or ethics as these apply to staff and personnel. The adult/child relationship should be professional at all times. It is recognised that in our setting, staff and volunteers will encounter students in the normal course of family, social and community activities. This Code of Conduct aims to clarify the professional obligations involved. An adult's response to a child's behaviour or circumstance should be commensurate with the child's ages and vulnerability and the adult's responsibility for the care, safety and welfare of the child. The child includes all students of Mary MacKillop College.

All staff, advisory council members, clergy, contractors, volunteers and visitors at Mary MacKillop College are expected to actively contribute to a school culture that respects the dignity of its members and affirms the Gospel values of love, care for others, compassion and justice. They are required to observe child-safe principles and expectations for appropriate behaviour towards and in the company of children, as noted below.
