Mary MacKillop College is committed to providing a Catholic education for young people from a wide range of backgrounds. In doing so, the College aims to keep fees to a minimum so that parents will be encouraged to enroll their children without suffering hardship.

Fees are charged to families at the beginning of each year.

Fees are reviewed by the College Advisory Council annually. Parents will be notified of any increases prior to the end of the school year.

The College makes every effort to be just and compassionate in both:

- Its consideration of those who need a tuition fee reduction, and
- Its insistence that those who incur a debt must meet their commitment
