

2027 FEES AND CHARGES SCHEDULE

Enrolment Fee

A non-refundable nor transferable Enrolment Fee of \$150 per child is payable when lodging an enrolment application. Enrolment Fees are credited towards the fee account for the respective year's school fees.

Annual School Fees

School fees are a combination of tuition fees, a technology levy and a capital levy.

Tuition Fees are fully inclusive of camps, sport, buses and excursions. In 2027 the tuition fee for one child is \$6,086.00.

The technology levy is \$500 per annum per student. This is a compulsory charge to assist with the leasing of laptops and provision of IT services. New devices are provided to students in years 7 and 10.

The 2027 capital levy is \$648 per family. This is a compulsory charge to assist in the upkeep and maintenance of our buildings as well as supporting future building projects. Without this levy it would be difficult for us to plan for new buildings or upgrades to our buildings; including painting, heating, cooling, carpet replacement etc.

Whilst an account balance remains, account statements will be sent out each term. These can be considered as payment reminders.

Payment of School Fees and Charges

School Fees are charged to Parent Accounts at the beginning of the school year.

The annual bill is the invoice for the full years' charges, and a tax invoice/statement will be forwarded by email. Unless a direct debit instalment arrangement is in place, payment in full is due by **2 April 2027**. Instalments can be made via Mastercard/Visa or Direct Debit.
